Good Afternoon,

I will be moving on to a new role in CID in Alness. Your new Community Officer will be Police Constable Jaia Pirrie who is based at Alness Police Station. I will have a handover with her and she will prepare reports in the future.

I appreciate that I only managed to make it along to one meeting however I was made to feel very welcome and enjoyed coming along, its just a shame my shifts have not fallen for more so thank you for welcoming me along.

Best Wishes
Harry
